NRCS has provided confidential counselling services to the local community for nearly 20 years, helping adults and children to deal with a diverse range of problems.

Our team of 46 qualified professionals delivers over six hundred sessions each month following referrals from doctors, schools, the police and other organisations as well as from concerned private individuals.

The service is free to those who have no means to pay.

To fund this essential work, we rely on grants and donations from those who can afford it.

FUNDS ARE RUNNING LOW – CAN YOU HELP?

A regular contribution of £10 a month would fund a counselling session for a child in need.
